

LearningApps erstellen

Constanze Lotter

Dieser Workshop erläutert anhand von Erklärvideos die wesentlichen Funktionen zum Umgang mit LearningApps im Unterricht. Es wird eine Auswahl an Templates vorgestellt (z.B. Vorlagen für Zuordnungsübungen, Multiple-Choice-Tests) und erklärt, wie diese überarbeitet und anschließend genutzt werden können.

The image shows a screenshot of the LearningApps.org website interface. The top navigation bar includes a search bar labeled 'Apps durchsuchen', a menu for 'Apps durchstöbern', and a button for 'App erstellen'. On the right side of the navigation bar, there are links for 'Meine Klassen' and 'Meine Apps', along with a language selection menu labeled 'Kontoeinstellungen' and a 'abmelden' button. Below the navigation bar, there are several callouts pointing to specific features: 'Sortierung anhand von Kategorien' points to the 'App erstellen' button; 'abmelden' points to the 'abmelden' button; 'Apps verwalten' points to the 'Meine Apps' link; 'Schlagwortsuche' points to the search bar; 'Tutorial anzeigen' points to a 'Tutorial anzeigen' button; and 'Vorlage auswählen' points to a grid of app templates. The main content area displays a grid of app templates, including a map of Europe, a soccer field, a map of Switzerland, a Twitter feed titled 'Tweets über LearningApps.org', and a video thumbnail showing a workflow from 'your ideas' to 'tools from LearningApps.org' to 'interactive and multimedial exercises'. The video thumbnail also features a 'YouTube' logo and buttons for 'Einbetten' and 'Auf Twitter anzeigen'.

The image shows a screenshot of a LearningApps.org interface with several German annotations in speech bubbles:

- Titel der App**: Points to the title "vocabulary" in the top left corner.
- Hilfestellung**: Points to a help icon (lightbulb) in the top left corner.
- Aufgabenstellung**: Points to the task area containing a black cat image, a text box with "Aufgabe", instructions, and an "OK" button.
- Vollbild**: Points to the full-screen icon in the top right corner.
- als Vorlage verwenden**: Points to a blue pin icon on the cat image.
- Lösung überprüfen**: Points to a blue checkmark icon in the bottom right area.
- speichern**: Points to the "merken in 'Meine Apps'" button in the bottom right area.
- Link**: Points to the "Weblink" field at the bottom, which contains the URL <http://LearningApps.org/display?v=p69mh63pj16>.

The interface itself features a yellow background with a central task area. The task area includes a black cat image, a text box with the heading "Aufgabe" and instructions: "Ordne entsprechend zu! Hinweise zum Bearbeiten der App erhältst du durch Anklicken der Lampe." Below this is an "OK" button. A white pill-shaped button with the text "strawberry" is positioned between the cat and dog images. At the bottom of the interface, there are buttons for "ähnliche App erstellen", "merken in 'Meine Apps'", and "Problem melden". A QR code is located in the bottom right corner.
